

“New Bespoke Area Treatments”

Due to client demand here are some Treatments you have asked for. We hope you like them.

The Eye's..... If your eyes are starting to show the signs of ageing. We can lift, open, brighten, improve dark circles and bags. While helping to erase fine lines. This treatment is worth a try. We recommend a treatment every 2 weeks

The Upper Lip... When you start to notice fine lines on your upper lip. Our lip treatment is highly effective, ask us as to how we perform this treatment. You will need at least 3-4 and you do not notice changes for at least 3 months.

We recommend treatment every 2 weeks

The Décolletage..... This area cannot help but catch the sun, so eventually the damage will show. We will do a variety of different treatments, depending on the main concerns of the skin We recommend treatment once a month with an LED in-between is advisable

The Hand's..... A super-duper treatment leaving your hands as soft as silk, if dry hands our your issue, or we can do more of an advance treatment with skin needling that can make your hands look younger.

All treatments will be half an hour with your skin therapist & 30 minute LED .

This can be booked as a stand alone treatment at £70 or
Combine within your monthly skin treatment for an extra £40
